HUSBAND WISER THAN DUCTORS.

When the dectors pronounced his wife's case incurable, it was the hun-

trial of Dr. Pierce's Fa-vorite Prescription. It was the prompt benefit derived from the use of "Favorite Prescription " that induced the husband to consult Dr. Pierce be letter on his wife's behulf. The result was a complete cure. This result commonly follows a fair and faithful trial of Dr. Pierce's Pavorite Prescription. It was made to cure womwhat it was made to do. It has cured hundreds of thousands of weak and sick wemen and cured them perfectly and per-manently. A great num-ber of these cures have been effected after doc-tors had pronounced the sufferer incurable and tyrdom of misery for the term of her natural life.

"Favorite Prescription" establishes regularity, dries the drains which weaken women, beals inand cures female weakness. It cures nervousness,

"I am so grateful to you for your advice, When I commenced your medicines I had been treated by different doctors for three months or more, but would only receive partial relief for a short while and then would be wome than before their treatment. I am able to do all my washing, sewing and house work in general. I haven't had a spasm in two months. Left off medicines about one month ago. Didn't think it necessary to continue them longer.
